It's National Potato Lovers Month

FEBRUARY 12, 2019

<http://bit.ly/2TJAZKa>

Baked, roasted, mashed, smashed or hashed, potatoes remain a U.S. favorite and are consumed by 12% of the population daily. Chefs strive to add a culinary twist to the mild spud and using Fingerling Potatoes is a good start. Fully mature upon harvest, Sensationally Fresh® Fingerlings tend to have a nutty flavor and can be used in any preparation method – shown here smashed with ginger, onions and red chile flake gremolata. Check out National Potato Lovers Month featured on our website.
